

Friends of the Descanso Library 2022-2023 membership

The *Friends of the Descanso Library* organization (FODL) supports the Descanso Branch of the County Library with items which are not included in the Library Budget.

It has been our pleasure as a support non-profit organization to fund items such as computers, computer desks, a display case, paperback book cases, garden, workshop supplies, special programs, magazines and other amenities which add to the Library's benefits for all the people of the community.

Our Used Book Room brings in a regular source of income. It is open every day that the library is open. Every chance we get, volunteers sell our Descanso History books, FODL tote bags, historical pictures, engraved note cards, etc.

Our history team develops programs, website articles, booklets and field trips to learn about local people, buildings and properties of interest.

We gather Descanso and library history. Please volunteer to tell your History about growing up in Descanso. Join Us!

Our mission is to promote the growth and welfare of the San Diego County Library-Descanso Branch to enrich its resources, make services better known to the community, and work with the branch manager in making these services more readily available.

The Friends of the Descanso Library is a all-volunteer group, and we hope that you will consider joining us. We are only successful because of our donors and volunteers. Please help support our goals by volunteering your time and financial bequests or donations.

Online memberships and donations are available. Keep up with our events by going to our website:
